HOLIDAY ASSIGNMENT

2026-27

CLASS - 1

Dear Students,

Summer vacation is a much-awaited time for all of you – a season of fun, relaxation, and renewal. It is also a wonderful opportunity to grow in many ways beyond academics.

While you enjoy your holidays, I encourage you to take care of a few important things:

- ◆ **Help your parents with household work.** Small contributions make a big difference at home.
- ◆ **Spend quality time with your grandparents.** Listen to their stories, learn from their experiences, and make beautiful memories that eventually make you a better human being.
- ◆ **Become more self-reliant.** Start by washing your plate after meals and taking care of your personal clothes. Little steps towards independence build great character.
- ◆ **Focus on your academics.** Revise your lessons regularly and complete your holiday homework sincerely. A little effort every day will help you stay confident and ready for the next term.

Dear students, remember that holidays are not just a break from school; they are a chance to become better, stronger and wiser self.

Wishing you all a safe, happy, and fruitful vacation!
